10.45-11.15	Morning Tea and EPosters with Trade Exhibitors	Barista Sponsored by:  PolyNovo® Healing. Redefined.
11.15-13.00	Session 2: Eyelid and Brows	Moderators: Zachary Moaveni / Jesse Kenton-Smith

Friday 22 August 2025 *cont.*

Location: Remarkables Room, Level 1, Hilton Resort Queenstown unless otherwise stated

Time	Presentation/Presenter	Location
11:15-11:20	A Word from our Gold Sponsor: 	
11:20-11:35	Ten mistakes in upper eyelid surgery - Dirk Richter	
11:35-11:50	The gliding brow lift: How does it hold up over time? - Jim Grotting	
11:50-12:05	Lower eyelid malposition - Dirk Richter	
12:05-12:20	Ancillary procedures in facial rejuvenation surgery - Zachary Moaveni	
12:20-12:30	When not to operate and how to say no - Glenn Bartlett	
12:30-13:00	Panel discussion: Difficult cases, managing complications and how to get better results	
13:00-14:00	Lunch and EPosters with Trade Exhibitors	Trade Exhibition Area
14:00-15:10	Session 3: Breast Reduction	Moderators: Jesse Kenton-Smith Michelle Locke
14:00-14:20	My evolution in breast reduction surgery - Jim Grotting	
14:20-14:35	Protecting the blood supply to the nipples in large breast reductions, using the delay procedure - Mark Ashton	
14:35-14:50	Three quadrant breast reduction. A technique which addresses the lateral breast and improves pedicle safety - Stanley Loo	

Friday 22 August 2025 *cont.*

Location: Remarkables Room, Level 1, Hilton Resort Queenstown unless otherwise stated

Time	Presentation/Presenter	Location
14:50-15:10	Panel discussion: Difficult cases, managing complications and how to get better results	
15:10-15:40	Afternoon Tea and EPosters with Trade Exhibitors	Trade Exhibition Area
15:40-17:35	Session 4: Mastopexy	Moderator: Brandon Adams
15:40-15:45	A Word from our Silver Sponsor:  SheffMed NZ Ltd	
15:45-15:55	Breast Implant illness - Michelle Locke	
15:55-16:15	Breast implant removal - algorithm for reconstruction with mastopexy and lipofilling - Maria Weidner	
16:15- 16:30	Mastopexy with and without lipofilling - Jesse Kenton-Smith	
16:30-16:50	Success in augmentation mastopexy in the era of smooth implants - Jim Grotting	
16:50-17:05	Glandular reconstruction after Explant - Mark Lee	
17:05-17:35	Panel discussion: Difficult cases, managing complications and how to get better results	
17:35- 19:00	Welcome Function	Trade Exhibition Area

Saturday 23 August 2025

Location: Remarkables Room, Level 1, Hilton Resort Queenstown unless otherwise stated

Time	Presentation/Presenter	Location
08:10-10:30	Session 5: Massive Weight Loss / Body Contouring	Moderator: Murray Beagley
08:10-08:25	GLP-1 agonists and plastic surgery - Dirk Richter	
08:25-08:45	Diagnosis and treatment options for lipoedema with new devices - Maria Weidner	
08:45-09:05	Lipo - body - Lifts in massive weight loss - Dirk Richter	
09:05-09:20	Lipoedema: Practical considerations for surgical treatment - Patrick Lyall	
09:20-09:35	Surgical treatment of lipoedema in Perth, WA - Adrian Brooks	
09:35-09:45	Treatment of the buried penis in massive weight loss - Dirk Richter	
09:45-10:10	Panel Discussion: Difficult cases, managing complications, how to get better results	
10:10-10:30	Research Papers 1	
10:10-10:20	A 10-year review of body contouring operations post massive weight loss within the public sector - Liz Primulapathi 1779	
10:20-10:30	Rising demand for Skin Cancer Multi- disciplinary Meeting (MDM) discussions: A changing landscape - Nikita Quinn 1796	

Saturday 23 August 2025

Location: Remarkables Room, Level 1, Hilton Resort Queenstown unless otherwise stated

Time	Presentation/Presenter	Location
10:30-11:00	Morning Tea and EPosters with Trade Exhibitors	Trade Exhibition Area
11:00-12:30	Session 6: Innovations	Moderator: Dylan Wyn James
11:00-11:05	A Word from our Silver Sponsor: <div> Financial Independence  Part of the ICIB Group </div>	
11:05-11:25	Implementing longevity tips and bio hacking in aesthetic surgery clinic - Maria Weidner	
11:25-11:40	Hair transplantation - A plastic surgeon's perspective - Bulent Yaprak	
11:40-11:55	Lymphoedema - Simon Chong	
11:55- 12:05	Discussion Q&A	
12:05-12:25	Research Papers 2	
12:05-12:15	Digital Papillary Adenocarcinoma: A population based study of a rare but aggressive cancer - Emma Littlehales 1795	
12:15-12:25	Refining Stener lesion diagnosis: Evaluating ultrasound accuracy and a proposed MRI-based approach - Sahan Maddumage 1767	
12:25-13:15	Lunch and EPosters with Trade Exhibitors	

Saturday 23 August 2025

Location: Remarkables Room, Level 1, Hilton Resort Queenstown unless otherwise stated

Time	Presentation/Presenter	Location
13:15-14:35	Session 7: Breast	Moderator: Janek Januszkiewicz
13:15-13:30	Breast augmentation - Jim Grotting	
13:30-13:45	My experience with Galaflex mesh in breast surgery - Adrian Brooks	
13:45-13:55	Discussion	
13:55-14:45	Research papers 3	
13:55-14:05	Changing trends in cosmetic breast augmentation by New Zealand plastic surgeons between 2014 and 2024 - Annelise Neal 1783
